An Elegant Look:

Quik-Lok Shelving with Wood-Tek End Panels.

QUIK-ROLL™

Quik-Roll provides secure medical file storage and meets HIPAA compliance for medical records.

QUIK-DOOR™

Quik-Door hinged door affords secure general storage and medical file HIPAA compliance. Extension Kit accommodates end tab filing.

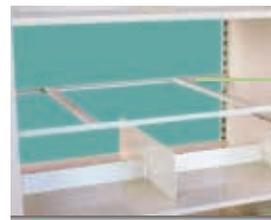

ROLLOUT DRAWER

Letter or legal size drawer available with security lock option.

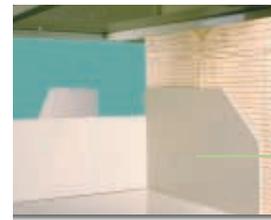

RETRACTABLE DOOR

Doors with security lock option slide flush into unit when open, create clean appearance when closed.

ADJUSTABLE REINFORCEMENTS

prevent deflection of shelf and distribute weight load.

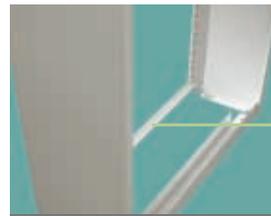

FILE DIVIDERS

Removable file dividers are adjustable across the shelf.

CENTER STOP

is used for double entry shelving units.

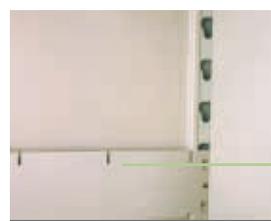

QUIK-BASE™

Quik-Base acts as shelf support, front base and floor anchor all in one.

REFERENCE SHELF

Handy work surface slides beneath a standard shelf.

SLOTTED BACK STOP

provides stabilization for dividers and back stop for files.
